

FROM A PRODUCER OF FOOD INC. AND FAST FOOD NATION

# FOOD CHAINS\$

THE REVOLUTION IN AMERICA'S FIELDS

**Tuesday December 1<sup>st</sup> 2015**

**Presented in Hillwood's CINEMA**

**during Common Hour**

**FREE SUSTAINABLE SNACKS WILL BE SERVED!**

FOOD CHAINS, a new documentary, exposes the human cost in our food supply and the complicity of large buyers of produce like fast-food chains and supermarkets.

It follows an intrepid group of Florida tomato pickers in their battle for a more humane and transparent food chain. Their story is one of hope and triumph of morality over corporate greed.
